

PUBLIC NOTICE

GAZETTED CROP-SPECIFIC MARKETING AND QUALITY CONTROL STANDARDS

The Namibian Agronomic Board (NAB) wishes to inform all producers and traders that the Namibian Standards Institution (NSI), has gazetted marketing and commercial quality control standards for the horticulture industry as indicated in the table below. The development of these standards were done in collaboration with the NAB and in consultation with key stakeholders from industry.

Industry players are, therefore, encouraged and advised to acquaint themselves with the requirements contained in these standards, and approach the NAB to obtain more information by contacting Ms. Cecilia Hinda (Manager: Food Safety and Standards Compliance Services), Tel: +264 61 379500 / +26481 1241975, email: Cecilia.Hinda@nab.com.na
