

SCAM NOTICE

SCAM ALERT - FAKE VACANCY CIRCULATING

The Namibian Agronomic Board (NAB) would like to caution the general public about a fake job advertisement that is circulating on social media. Please be reminded to watch out for fake adverts that are similar to the genuine advertisements released by the NAB.

The NAB would never ask potential candidates or the general public to submit a job application via WhatsApp messages. The public is further urged, to always confirm the validity of the advertisement through the NAB's social media pages (Facebook and LinkedIn) and website.

For any suspected scam notices or vacancies claiming to be that of the NAB, please report them to PRO@nab.com.na
