07 July 2023

**Addressed to: White Maize Grain Producers and Millers in Namibia**

**Dear Producers and Millers**

**SUBJECT: WHITE MAIZE GRAIN FLOOR PRICE – 10 - 23 JULY 2023**

1. In terms of the 2023 white maize marketing agreement under section 2.2, Should the calculated SAFEX Spot Price- Weighted Average for the previous fortnight period be higher than the Staggered Floor Price, then the SAFEX- Fortnight Weighted Average Price formula shall be implemented.
2. As per the attached calculation, the **FINAL SAFEX- Fortnight Weighted Average Price** for the previous two weeks (**23 June to 06 July 2023**) of **N\$5,574.60 per ton** is lower than the **Staggered Floor Price** of **N\$5,625.89 per ton** for the period **23 June – 06 July 2023** by **N\$51.29 per ton**.
3. Therefore, the **Staggered Floor Price** of **N\$5,625.89 per ton** will be the **Floor Price** applicable for WM1 to be bought or delivered within the fortnight of **10 - 23 July 2023**.
4. The NAB will continue monitoring the SAFEX- Fortnight Weighted Average Price for the upcoming two weeks and notify the industry accordingly, should this price be lower than the SAFEX – Fortnight Weighted Average Floor Price for the same period.
5. Furthermore, please take note that, both the processor and producer levy of 1.4% should be calculated based on the **Subtotal** of the Staggered floor price of **N\$5,431.59** which excludes the import levy differential, and hence the producer levy to be deducted from the producer's price by all processors is **N\$76.04** per ton. **See Attached Staggered Floor Price**.
6. Please take note that, this floor price is subject to changes every fortnight and hence not fixed for the entire marketing season.

Should there be any further enquiries, please feel free to contact us, see the above for the contact details.

**Kind Regards,**

**Dr. Fidelis N. Mwazi (PhD)**  
**Chief Executive Officer**

NAMIBIAN AGRONOMIC BOARD
