Training on localg.a.p. Standard for the agronomy sector: 02 - 20 October 2023

The Namibian Agronomic Board (NAB), in collaboration with the Agronomy Producers Association (APA), Namibia National Farmers Union (NNFU), Green Scheme Irrigation Projects (GSIP) and Regional Agronomy Forums (RAF) cordially invites all agronomy producers to register and participate in the upcoming one-day training session scheduled to take place from 02 - 20 October 2023 in various towns across the country.

This training is designed to assist agronomy producers with the understanding, adaptation and maintenance of Good Agricultural Practices (GAP) approaches, principles, and systems to increase farm productivity, establish safe, sustainable production systems and enhance access to markets with GAP requirements.
