29 November 2023

Addressed to: Wheat Grain Producers and Millers in Namibia

Dear Producers and Millers

SUBJECT: WHEAT GRAIN (B1) FLOOR PRICE (MILL DOOR): 29 NOVEMBER -12 **DECEMBER 2023**

- 1. Section 2 of the 2022/2023 Wheat Marketing Agreement clearly states that should the Fortnight Weighted Average Floor Price (SAFEX Spot Price + Deep-Sea) for the previous fortnight be higher than the Five (5) Year Average Floor Price on the 30th of October 2022, then the new floor price formula for B1 wheat grain for the next two weeks shall be determined based on a combination of the SAFEX Spot Price and Deep-Sea
- 2. As per the attached calculation, the 5-Year Average Floor Price of N\$6,972.82 per ton for the 2023/2024 marketing season is higher than the calculated Fortnight Weighted Average Floor Price (Mill Door Floor Price) for the previous two weeks (15-28 November 2023) of N\$6,851.85 per ton, by 5%% or N\$ 359 per ton.
- 3. Therefore, the 5-Year Average Floor Price (Mill Door) of N\$ 6,972.82 per ton (Inclusive of the Producer Levy) will be the Floor Price applicable for B1 wheat grain purchased/ paid during the period 29 November to 12 December 2023.
- 4. The NAB Producer Levy of 1.4% (N\$97.62 per ton) calculated based on the 5-Year Average Floor Price stated in section 3 of this letter, must be deducted by the processors from the floor price, and paid over to the NAB.
- The NAB will continue monitoring the wheat Fortnight Weighted Average Floor Price for the next two weeks and notify the industry accordingly, should this price be higher than the 5-Year Average Floor Price.
- 6. Please take note that, this floor price is subject to changes every fortnight and hence not fixed for the entire marketing season.

Should there be any further enquiries, please feel free to contact us, see the above for the contact details.

Kind Regards,

SIGNED

Dr. Fidelis Mwazi (PhD)

IMPORTANT INFORMATION

The FORTNIGHT WEIGHTED AVERAGE FLOOR PRICE for the previous two weeks 15-28 November 2023 is lower than the 5-YEAR AVERAGE FLOOR PRICE by N\$359.00 per ton (- 5%). Therefore, the 5-YEAR AVERAGE FLOOR PRICE of N\$6,972.82 per Ton is the applicable Mill Door Floor Price per Ton for B1 Wheat grain to be purchased during the fortnight period of 29 November to 12 December 2023. Furthermore, the NAB Producer Levy of 1.4% must be calculated based on the 5-Year Average Floor Price of N\$6,972.82 per ton, deducted by the miller from the floor price and paid over to NAB.
