29 October 2024

Addressed to: White Maize Grain Producers and Millers in Namibia

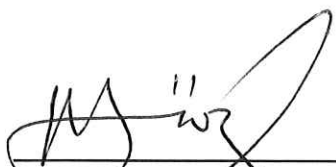

Dear Producers and Millers

SUBJECT: WHITE MAIZE GRAIN FLOOR PRICE – 30 OCTOBER TO 12 NOVEMBER 2024

1. Clause 2.2 of the White Maize Marketing Agreement for the 2023 marketing clearly states that "should the calculated SAFEX Spot Price- Weighted Average for the previous fortnight period be higher than the Staggered Floor Price, then the SAFEX- Fortnight Weighted Average Price formula shall be implemented".
2. As per the attached calculation, the **SAFEX- Fortnight Weighted Average Floor Price** for the previous two weeks (**15 to 29 October 2024**) of **N\$7,747.26 per ton** is higher than the **SAFEX- Staggered Floor Price** of **N\$6,326.27 per ton** for the period **30 October to 12 November 2024** by **N\$1,420.99 per ton** or **18%**.
3. Therefore, the **SAFEX -Fortnight Weighted Average Floor Price** of **N\$7,747.26 per ton** shall be the applicable floor price for White Maize grade 1 (WM1) bought or delivered within the fortnight of **30 October to 12 November 2024**.
4. The NAB will continue monitoring the SAFEX-Fortnight Weighted Average Floor Price for the upcoming two weeks and notify the industry accordingly, should this price be lower than the SAFEX-Fortnight Weighted Average Floor Price for the same period.
5. Furthermore, please take note that, both the processor and producer levy of 1.4% should be calculated based on the **Subtotal - SAFEX-Fortnight Weighted Average Floor Price** of **N\$7,478.05** which excludes the import levy differential, and hence the producer levy to be deducted from the producer's price by all processors is **N\$104.69** per ton.
6. Please take note that, this floor price is subject to changes every fortnight and hence not fixed for the entire marketing season.

Should there be any further enquiries, please feel free to contact us, see the above for the contact details.

Kind Regards,

Dr. Fidelis N. Mwazi (PhD)
Chief Executive Officer

NAMIBIAN AGRONOMIC BOARD
